The Diviner's Tale

“In addition to scaring the daylights out of us, *The Diviner’s Tale* stands up for the offbeat and unconventional in human nature” (The Boston Globe). Cassandra Brooks is a diviner, what used to be called a water-witch. Hired by a developer to dowse some land in upstate New York, she is walking a lonely forested valley one spring morning when she comes upon the shocking vision of a young girl hanged from a tree. When she returns with authorities to the site, the body has vanished, leaving in question Cassandra’s credibility, if not her sanity. The next day, during a return visit with the sheriff to have another look, a dazed, mute missing girl emerges from the woods—alive, and the very picture of Cassandra’s hanged girl. What follows is the narrative of ever-deepening and increasingly bizarre divinations that will lead this gifted young woman, the struggling single mother of twin boys, hurtling toward a past she’d long since thought was behind her. *The Diviner’s Tale* is at once a journey of self-discovery and an unorthodox murder mystery, a tale of the fantastic and a family chronicle told by an otherwise ordinary woman who is about to be locked in a mortal chess match with a real-life killer who has haunted her since before she can remember. “[A] splendidly written mystery . . . A compelling story. Grade: A.” —The Plain Dealer “An astonishing writer.” —Joyce Carol Oates, New York Times—bestselling author of *Double Delight* “Beautifully written, tight as a tripwire, *The Diviner’s Tale* isn’t quite like any ghost story I’ve read before.” —Boing Boing “Morrow quietly drops clues as he guides you deeper into the mystery of the dead girl—and into Cass’s own mind.” —The New York Times

New Black Godz

Refiguring black culture and religion beyond conventional accounts, New Black Godz interrogates and rethinks problems and tropes within the fields of religious and Africana studies. Using the expressive culture of hip hop and critical theory to provide analytical and conceptual frameworks, Monica Miller redefines the very notion of black religion, which is recast as identity formation. New Black Godz considers the god-like status of iconic cultural figures such as Beyonce Knowles, Oprah Winfrey and Kanye West, who "know where to go" to escape the United States and its racism. In contrast, Monica Miller argues that those with "nowhere to go", become a different sort of "god" through identity-based sacrifice: Trayvon Martin, Sandra Bland, Eric Garner and countless others, from those well-known to the not-yet known, remain the permanent black and brown underclass in America and around the world. Using textual and ethnographic studies in New York, Philadelphia, London, Paris, Germany and Switzerland, New Black Godz is a definitive contribution to ongoing debates about the complex and varied contours of African-American religious and political life in the 21st century.

Inter-Laboratory Study on Electrochemical Methods for the Characterization of Cocrmo Biomedical Alloys in Simulated Body Fluids

This special issue of Corrosion Engineering Science and Technology is dedicated to the study of corrosion of objects from historical sites. The issue contains contributions from the 2009 EUROCORR session on Corrosion of Archaeological and Heritage Artefacts organised by the European Federation of Corrosion's working party and commissioned articles on other key issues. The objective is to give the reader a broad understanding of corrosion of ancient materials, for the most part metal but also glass. Articles shed light on a range of analytical approaches related to the study of the complex systems that make up historical artifacts. In order to arrive at an understanding of the nanometric organisation of rust layers and interphases, such studies must be approached on a macroscopic scale. Techniques used include; macrophotography, synchrotron radiation and transmission electron microscopy (TEM) that ensure results that are both exhaustive and representative of particular observations. This issue demonstrates the wealth of approaches possible in the study of the corrosion of ancient materials.

Death Waits in the Dark

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love,

Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

The Highlander's Surrender

Eliza Knight's bestselling Scottish historical romance series, *The Stolen Bride Series*, is back with another amazing tale of adventure, passion and love! Ceana Montgomery had notions of marrying for love after her first disastrous marriage ended in widowhood. But now Robert the Bruce has ordered her to marry a stranger, securing a strong alliance and ending a decades-old feud. Already used as a pawn once in marriage, she is devastated that she will once more have to give up her happiness in order to please the edicts of men. And while the braw warrior standing before her might incite feelings inside her she thought long since buried, desire is a far cry from love. The rivalry between Brochan Lamont and his twin brother, John, began in the womb, and only grew worse from there. They were pitted against each other in childhood, and their father left them with a legacy that was a race to the finish—whoever has an heir first inherits the lands. The only problem is that Brochan has given his loyalty to the Scots, and his brother to the English. In order to keep the lands and ships under Scottish control, Robert the Bruce demands Brochan marry to break the iron-clad will. His new bride harbors a fiery temperament that lures Brochan into stoking her passions instead of her ire. Aligned to strengthen the Scottish claims on the realm, Brochan and Ceana must work together to overcome the obstacles that bind them. But perhaps seeing their duties through does not have to be as painful as they both predicted. Is it possible that love can be forged from a union born in alliance? Maybe Fate knew all along just who was meant for who...

This Is War

Travis King is the worst kind of asshole. He taunts me for being a good girl and mocks my high standards. He's cruel, crass, and has enough confidence to last two lifetimes. And I hate him. It wouldn't matter so much if he were avoidable. But considering he's my older brother's best friend and roommate, I see him more than I'd ever want to. His sculpted abs and gorgeous eyes are wasted on such an arrogant man, which makes me hate him even more. Even though I've had a crush on him since I was ten, the feelings weren't mutual and he's always made that very clear. He's always loved getting under my skin and one night against my better judgment, I let him in my bed. I've succumbed to his manwhore ways, but that doesn't change a thing. Trying to Score

Teddy King excels at many things. Playing hockey. Check. Scoring on and off the ice. Check. Being stupidly attractive ... Double check. Despite his demanding schedule, he still finds time to annoy me. I knew him way back when. Before he was the guy everyone wanted a piece of, he was just a rebellious college co-ed and one of my more energetic study partners. But secrets have a way of getting out, and a steamy encounter from our college days (that we probably shouldn't have filmed) is about to cause a major scandal. Unless we can work together to stop it. Teddy's no stranger to hard work ... but the thing he wants most? Is me. Note: This high-heat standalone is chock-full of scorching banter and steamy good times. He's a testosterone-dripping hockey

player who wants a second chance. She's a tough as nails attorney intent on making partner. Frenemies to lovers. No cliffhanger. Enjoy! Your favorite hot jocks are back with an all new stand-alone novel. If you like sexy, confident men who know how to handle a stick (on and off the ice), and smart women who are strong enough to keep all those big egos in check, this series is perfect for you!
