Jack the Ripper and the Case for Scotland Yard's Prime Suspect

An investigation into the man Scotland Yard thought (but couldn't prove) was Jack the Ripper Dozens of theories have attempted to resolve the mystery of the identity of Jack the Ripper, the world's most famous serial killer. Ripperologist Robert House contends that we may have known the answer all along. The head of Scotland Yard's Criminal Investigation Department at the time of the murders thought Aaron Kozminski was guilty, but he lacked the legal proof to convict him. By exploring Kozminski's life, House builds a strong circumstantial case against him, showing not only that he had means, motive, and opportunity, but also that he fit the general profile of a serial killer as defined by the FBI today. The first book to explore the life of Aaron Kozminski, one of Scotland Yard's top suspects in the quest to identify Jack the Ripper Combines historical research and contemporary criminal profiling techniques to solve one of the most vexing criminal mysteries of all time Draws on a decade of research by the author, including trips to Poland and England to uncover Kozminski's past and details of the case Includes a Foreword by Roy Hazelwood, a former FBI profiler and pioneer of profiling sexual predators Features dozens of photographs and illustrations Building a thorough and convincing case that completes the work begun by Scotland Yard more than a century ago, this book is essential reading for anyone who wants to know who really committed Jack the Ripper's heinous and unforgettable crimes.

Disposable People

REGIONAL WINNER - COMMONWEALTH BOOK PRIZE 2013 Ten year old Kenneth Lovelace often went to bed without dinner. Instead of feeling hunger, however, what he mostly felt was fear and shame, knowing that his family's poverty was the reason he had no food. Kenneth also recalls his bitterness whenever his parents locked him out of their tiny, one-room house to act on their 'urge'. This was in the 1970s, when Jamaica's socialist regime was dragging the country into bankruptcy, and when an Old Timer had told him that he was cursed since birth. Beginning with his earliest memories, "Disposable People" traces the life of Kenneth Lovelace, now a consultant living in the USA. After a string of failed marriages, bad relationships and other misfortunes, Kenneth looks back at his life in his old, hateful village with hopes of finding the roots of his latest tragedy. What comes out is a story of mischief and adventures, sex, prejudice, evil spirits, adversities and, progressively, violence. "I listened to these and other trinkets of information with interest, as they read his eulogy. At the end of the service, and while our ageing Methodist choir sang with the melody of hogs in labor, I went to look at him again in the open casket. I wanted to see if I could match all the kind words spoken about him, with the person that was lying there. I wanted to see the young boy tending kindly to the animals, dutifully cutting the grass, always obeying his mama and helping those in need, respectfully going to church and worshipping the Lord. That boy wasn't there. Instead there was a man about 1.92 meters tall, with thick, coarse hands (that had once hit me so hard they nearly broke my ribs) folded gently across his chest. His beard looked grayer than it did before, and had been neatly cut so that it didn't have any bristles. I had seen his beard close up a few times before while he slept, but I had never played in it like those kids sometimes did with their dads on TV. He had the same long creases stretching across his forehead, like fossilized worms, and his eyes were closed - like they seemed to have always been towards me. He was my papa for sure. People expected me to cry while looking at his body, but I didn't. The only times I had ever cried because of my papa was when he whipped me. But it sure was nice to see him in a suit."

The Boys of the Bone Yard Slash

The Boys of the Bone Yard Slash: True Texas Tales By: Ronald Armstrong Part adventure, part collection of short stories, all true, and a whole lotta fun, these are the tales of some of the people who lived along the Northeastern Texas Red River Chicota region of author Ronald Armstrong's 1970s youth. There is humor, funny stories, a dash of tragedy, some love lost and found, some lost souls and some reborn. Throw in a monster or two, a

good fight, a feud, and some good friends. How could you go wrong with true stories like these? The truth is always stranger than fiction and much more interesting. Take into consideration that this happened in the South, especially in Texas... then you have got to love it! Paws and Claws: Being True Stories of Clever Creatures, Tame and Wild

This volume compiles 105 stories of Houston's history originally written by Dr. Young for his column in the Houston Chronicle. This is history at its most entertaining. He brings early Houstonians to life, describing their personalities, their admirable traits and their many eccentricities. His stories of boyhood in Houston read like something out of Tom Sawyer. There are also stories of early citizens and their day-to-day lives, of the Civil War and Houston's fighting men, of slaves and former slaves, of rigged elections and reconstruction days. Dr. Young gives vivid descriptions of Houston's many saloons and gambling dens. You'll read about what a mischievous undertaker did with the Yankee dead during a Yellow Fever epidemic, about the superstitions of the day, about ghosts and haunted houses. There are stories of gentlemen and of scoundrels, of hangings and jail breaks. Even a little cross dressing.

Journal of the Royal United Service Institution, Whitehall Yard

On June 2, 1882 at about 9:30 p.m., David Bausman met death at the Kaw River while engaging in sexual intercourse with 14 year-old Sis Vinegar. Bausman was set upon by George Robinson, Sis' boyfriend, and his friend Isaac King. On June 10, 1882 at about 1:00 a.m., a mob broke into the Douglas County Jail, removed Robinson, King, and Pete Vinegar, Sis' father, and dragged them to the Kaw River Bridge and lynched them, one by one. Sis was spared the rope. The coroner's inquest determined that Bausman, an upstanding, well-to-do, white citizen of Lawrence and former soldier in the Civil War, was lured to the Kaw River bottoms by Sis Vinegar, a Negro prostitute. Bausman was robbed, beaten to death, and his battered body thrown into the water by the 'Vinegar bunch.' News articles described the Vinegar family as a den of outcasts, beggars, and thieves. Lawrence attorneys refused to represent Sis. She pled guilty and was sentenced to a life in prison at the federal prison in Leavenworth, Kansas. Sis died of tuberculosis, contracted from another inmate, seven years into her sentence. Margaret 'Sis' Vinegar has never told her story, until now that is. Even a casual consideration of the facts and evidence points to a monumental miscarriage of justice, and three important questions arise. Was Bausman truly the upstanding citizen he was portrayed to

be? Did Sis Vinegar and her family rightfully earn the labels of beggars and thieves? Why was it crucial to the Free State Cause that the Vinegars' due process rights be severed and the lynch mob interposed as the best resolution for the Lawrence Community and the State of Kansas? Sis Vinegar's Story is told through Attorney John Waller, who actually sought a governor's pardon for Sis. John Waller is aided by his wife Susan, an articulate and forceful woman. The Wallers are joined by Lawrence, Kansas' only Negro police officer, who was actually on the force at the time of the lynching. Sam's reputation included excellent investigative skills.

How to Yard Sale

An irresistible collection of favorite writings from an author celebrated for his bravura style and sheer unpredictability Francis Spufford's welcome first volume of collected essays gathers an array of his compelling writings from the 1990s to the present. He makes use of a variety of encounters with particular places, writers, or books to address deeper questions relating to the complicated relationship between story-telling and truth-telling. How must a nonfiction writer imagine facts, vivifying them to bring them to life? How must a novelist create a dependable world of story, within which facts are, in fact, imaginary? And how does a religious faith felt strongly to be true, but not provably so, draw on both kinds of writerly imagination? Ranging freely across topics as diverse as the medieval legends of Cockaigne, the Christian apologetics of C. S. Lewis, and the tomb of Ayatollah Khomeini, Spufford provides both fresh observations and thought-provoking insights. No less does he inspire an irresistible urge to turn the page and read on.

THE BOOK OF ALL BOOKS

True Story is Maher's debut novel about the wild and crazy life of the stand-up comedian -- a bawdy, rowdy tell-all report from the front line. Set in New York, circa 1979, in the late-night, neon-lit comedy clubs when the comedy boom was just heating up, True Story features five would-be comics, their shticks, their chicks, their rampant egos. These guys are desperate for celebrity, desperate for money, and—what else?—desperate to get laid. Which means they're also required to become \"road comics,\" shacking up in low-rent condos provided by sleazy club owners as the comedy scene spreads to the heartland in the early '80s. The result is a hilariously funny novel about the peculiar world of stand-up, where the ultimate prizes are fame, fortune, and fornication -- and the ultimate aspiration is, quite simply, to be laughed at. With perfect-pitch delivery, in classic sardonic style, Maher gives us a bona fide look at these resilient comedians and the scumbag promoters, hostile audiences, and die-hard groupies who make up their warped and twisted world. Only Bill Maher could have written True Story. And lucky for us he did. Because True Story is hilarious. It's offensive. At times it's even touching. So sit back as Maher puts you stage side at the very birth of the comedy boom. You'll laugh in all the right places. Hey, it's a True Story.
