Cupid's Match

He's mythologically hot, a little bit wicked, and almost 100% immortal. And he'll hit you right in the heart . . . "Miss Black, we have a big problem." Lila Black doesn't believe in matchmaking, let alone soul mates. So then why is she constantly being hassled by the Cupids Matchmaking Service? But this gilded, cherub-bedecked dating agency isn't exactly what it seems . . . and it's about to turn Lila's entire world upside down. It turns out that Cupids Matchmaking is the real deal. As in, it's run by actual cupids—who don't look at all

like they do in the paintings—and they have a serious problem with Lila's “match.” Because this guy shouldn't be in the system. He shouldn't have a match. And while he's irresistibly hot, he's also incredibly dangerous. Because Lila's true love match is Cupid. The original bad boy of love. And he wants her. Now Lila's once-normal teenaged world has exploded into a mythological nightmare overrun by crime-lord sirens, wrathful cupid hit men, magic arrows that cause no end of trouble, and a mischievous, not-so-angelic love god she can't seem to stop herself from falling for . . . Adored by 50 million readers on Wattpad, Lauren Palphreyman's smash-hit book is now in print for the first time.

Break The Glass Slipper

In this paradigm-shifting dating guide, love and dating expert, Crista Beck shows us how to stop Hollywood and Disney from ruining our love lives so we can find love in real life. For decades, we've been told that love just magically happens when we least expect it. “How's love going to happen for you if you're just sitting on the couch watching Netflix?”, Crista Beck says. “Let's be honest, love is not happening for you because you believe the societal fantasies about dating and relationships.” Beck doesn't sugar coat the reasons why we are still single. She tells it like it is - a strong dose of raw and honest truth that is sorely lacking today. Break The Glass Slipper is her antidote to the myths about the process of dating that have infected modern society and the minds of single women, sabotaging our ability to attract a healthy and happy long-term relationship. Beck makes the argument, backed by her 10+ years working with single women seeking men, that improving our love lives hinges on our ability to let go of these outdated mindsets that are preventing us from receiving our future partner into our life. Once we distinguish the fairy tales we have been telling ourselves about love, we can then choose a new path (based on reality), and find a real connection with a quality man that can evolve into a long-term relationship. This much-needed dating advice, Break The Glass Slipper is a refreshing and powerful nudge for a generation to break our own glass slippers and lead healthy and powerful love lives.

#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together

to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

The Trumpet of the Swan

Best Adult Colouring Book | A Top-Selling Adult Colouring Book on Amazon UK | Perfect Gift for Grown-Ups, Young Adults, and Self-Help
This adult colouring book is designed to help you feel good! With encouraging words throughout these creative colouring pages, this detailed adult colouring book is the perfect way to find relaxation and feel inspired. Colouring is a great way to de-stress and have a creative outlet, to align yourself with the present moment, and to simply feel better about your life and the world.
Best Adult Colouring Book to Improve Awareness
If you're an adult or youth counselor or have trained in psychiatry, then you likely understand the benefits of focusing. With a feel-good adult colouring book and a set of felt-tipped markers or pencil crayons, focusing can be a state of mind within just a few moments. Colouring can ease brain chatter and bring with it a sense of well-being.
Abstract Designs, Inspired by Nature
This adult colouring book combines images of nature, from the perspective of the artist. The Earth's elements of moving water and dancing plant-life play an important role in this coloring book, and the swaying motion of the wind is prevalent. Movement and nature are very important to an energetic and happy life!
Human Elements Bring it all Together
You will notice that some of the detailed colouring pages incorporate human elements, such as hot air balloons. This has been created with the intention of inspiring people to expand their vision of what is possible for their lives. There is something so magical about the hot air balloon (perhaps because it's not something you often experience). There is magic in every day!
Illustrated in Canada
All of the colouring pages are hand-drawn by Nadine Staaf, from Canada, and they are drawn for you with love. Many hours of work have been invested in each colouring page and it has been a pleasure to create them. The process of designing an adult colouring book from blank paper to final print has been exciting!
Colouring Book for Grown-Ups and Youth
From Nadine-- This colouring book is for YOU and for the people you love most in the world. I hope it brings you much joy and encouragement to pursue your innermost dreams. I have always dreamed about publishing books, and it's my pleasure to be able to share it with you.
Stay tuned for Book #2
Book #2 is on its way! Follow Nadine Staaf on Instagram, Facebook, and Twitter to hear of the release date!
Suitable Age and Skill Level
Anyone can colour in this colouring book, but it is truly suitable for someone who is looking to expand their skill and technique. I have a son who is 8

and this colouring book is a bit too detailed for his level. It seems to be the perfect colouring book for adults and youth. Felt Tipped Pens or Crayons? I have intentionally designed this book to have single-sided pages so that you can take the pages out and not need to worry about felt markers bleeding through the pages and not being able to colour on the back side of the page. If you plan to colour with the pages remaining in the book, I would still recommend you put an extra sheet of paper behind the one you are colouring on, simply so that you can ensure there is no bleeding of the ink through to the next page. Felt-tipped pens or sharp pencil crayons are suitable. Crayons wouldn't likely give you the desired look because there are many small spaces that could work better with a fine-tipped marker or pencil. Frame Your Colouring Book Pages When you have completed a page, carefully remove it from the book and frame it or laminate it. These would be wonderful homemade gifts for the people you care about. All Images Copyright Nadine Staaf All adult colouring book pages are copyright Nadine Staaf. If you take photos of your colouring, please link people to this Amazon page so they can buy one & tag me on social media :) Thanks!
