----- In this video, I'll explain **Ancient Mesopotamia Daily Life**,. With the ...

Prior to the growth of cities and large towns, people lived in small villages and most people hunted and gathered.

With the growth of large cities, things changed. There were all sorts of jobs and activities.

Slaves were owned by the king or bought and sold among the upper class.

Most people lived in mud brick homes.

They were rectangular in shape and had two to three levels.

The mud brick worked as a good insulator and helped to keep the homes a bit cooler in the summer and warmer in the winter.

As the cities of Mesopotamia grew wealthy, there were more resources and free time for people to enjoy entertainment.

Drums, Lyres, Flutes, and Harps

Art and poetry was a big part of the wealthier cities.

Most of the poetry and art had a religious theme or honored the king of the city.
