National Contemporary Business 15th Edition Career Search Edition with Business Simulation Game 1st Edition Set

A successful marketing department has the power to make or break a business. Today, marketing professionals are expected to have expertise in a myriad of skills and knowledge of how to remain competitive in the global market. As companies compete for international standing, the value of marketing professionals with well-rounded experience, exposure, and education has skyrocketed. *Global Perspectives on Contemporary Marketing Education* addresses this need by considering the development and education of marketing professionals in an age of shifting markets and heightened consumer engagement. A compendium of innovations, insights, and ideas from marketing professors and professionals, this title explores the need for students to be prepared to enter the sophisticated global marketplace. This book will be invaluable to marketing or business students and educators, business professionals, and business school administrators.

Essentials of Contemporary Business

Sergio Zyman - aka Aya-cola - had the dubious distinction of launching New Coke - one of the best documented and most spectacular marketing failures. But just 79 days later the return of Classic Coke produced the biggest one-year rise ever in the brand's sales. Zyman learnt - and taught others - lessons about the emotional bond of consumers to the product. Here, he reveals his own marketing philosophy based on neo-marketing - the notion that advertising and promotion are supposed to sell more stuff.

Contemporary Business 2000

Modern and professional communication is required to realise the goal of sustainability in society. This book develops a theoretical and empirical framework, integrating interdisciplinary perspectives from communications theory, psychology, sociology, educational sciences, systems theory and constructivism. Its aim is to inform the establishment of sustainability communication. Complementing this theoretical framework, the book provides methods and concepts in a range of fields such as corporate practice, education and media. The book addresses the scientific community and students as well as communicators in all categories of sustainability communication.
