Not all chemo meds cause hair loss

Cold Cap therapy could be an option for you.

Hair loss occurs everywhere.

Nails may be affected.

Neuropathy is a common side effect.

Your taste will change.

You will likely have nausea.

Drink lots of water for the days around chemo!

Your mouth may be affected.

Talk to your doctor about preserving your fertility.

You will be tired.

10. You will be \"foggy\" aka chemo brain.

You can live a pretty normal life.
