Public Sector Collective Bargaining - Public Sector Collective Bargaining by GreggU 761 views 4 years ago 2 minutes, 8 seconds - Ideas shape institutions. The ideas undergirding **public sector collective bargaining**, are borrowed from models previously ...

**PUBLIC SECTOR COLLECTIVE BARGAINING**

**CONCEPTS** Concepts such as competition, market economy, and free contracts are defining characteristics in the private sector, whereas government is characterized by monopoly, politics, and sovereignty.

**HOSTILITY** The doctrine of hostility between parties is fundamental to traditional collective bargaining (adversarial, conflictual, confrontational).

**COOPERATIVE** Cooperative problem solving is more likely to succeed when there is mutual trust, commitment, and leadership from all participants as well as from flexible, adaptive organizational structures.

**WIN-WIN** Although it is important not to oversell win-win bargaining and harmony-based solutions or to undervalue the merits of traditional bargaining, these examples suggest that public unions and managers should explore diverse paths.
